## Product Guide

Designing and manufacturing natural and artificial stone furniture

# ABOUT US

At QTM Group, the Quality Management team, we have assembled a group of professionals in the furniture industry dedicated to designing and manufacturing “QTM Style” products for your homes, flats, offices, hotels, villas, and other spaces.

Our team of Graphic and Interior designers has curated an impressive collection of Kitchen Islands made from Granite and various other materials. Additionally, we offer a range of furniture options crafted from Marble and other artificial stones.

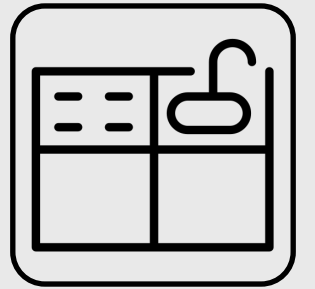

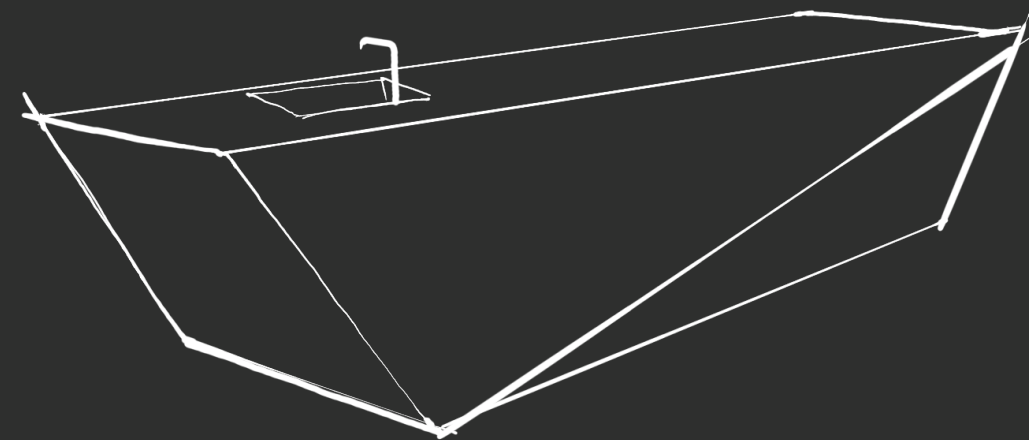

QTM Style manufacturers specialize in producing complex designs tailored to the requests of consumers and partners.

We offer a wide variety of stones for you to choose from, allowing you to customize the design, color, material, and size of your furniture.

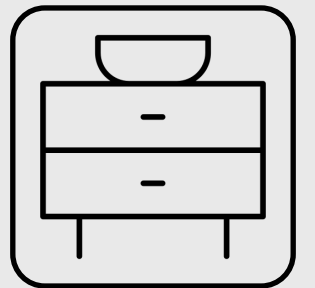

# OUR SERVICES

We offer a comprehensive range of services, including the provision of natural and engineered stones, stone tools, sealers, and maintenance products. Additionally, we specialize in the fabrication and installation of diverse stone applications, such as — — — — —

# Our Flexible Solutions

---

What sets QTM Group apart from our competitors is our willingness to go beyond standard designs. Our Graphic designers are open to creating shapes based on consumer desires, even if only provided with a picture.

Furthermore, we have the capability to build and design your dream furniture that doesn't exist anywhere else. We will patent these unique designs within 10 years, providing you with exclusive rights to that specific design.

We invite you to visit our new showroom in Budapest, where you can experience firsthand the different types of stones we use in our orders.
